Lexham Press is pleased to announce the publication of a major series of new translations of Kuyper’s most important writings. Created in partnership with the Kuyper Translation Society and the Acton Institute, the Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies—one that will deepen and enrich the church’s public theology.

Comprising of 8 essential works spread over 12 volumes, the Collected Works in Public Theology will bring Kuyper’s thoughts on a broad range of topics to an entirely new audience.

See reverse for more details on all 12 volumes.

ON THE CHURCH

In Our Program, Kuyper comprehensively engages the secular politics of his day and presents a Christian alternative. In an era where the church typically either controlled or was controlled by the state, Kuyper showed that it was possible to frame a system where each interacts with the other but remains separate.

COMMON GRACE

ON ISLAM

ON EDUCATION

In Common Grace, Kuyper presents a constructive public theology of cultural engagement rooted in the humanity Christians share with the rest of the world. He addresses a gap in the development of Reformed teaching on divine grace, articulating, developing, and applying a Reformed understanding of the gifts of God that are common to all people after the fall into sin.

Volume 1: 978-1-5779-9653-8, $49.99, Now Available
Volume 2: 978-1-5779-9669-9, $49.99, Summer 2017
Volume 3: 978-1-5779-9670-5, $49.99, 2018

In On Islam, Kuyper compiles Kuyper's significant writings on Islam. This anthology will allow readers to follow Kuyper's model for observing another faith and its cultural ramifications from an informed Christian point of view. It will be of particular relevance for today's readers—who live in a world where Islam's role on the global scene is visible and controversial, its future so significant, and its relationship with Christianity so decisive for both faiths.

978-1-5779-9674-3, Fall 2017

In On Education includes Kuyper's most significant writings on education. As the founder of the Free University of Amsterdam and an educator himself, Kuyper thought hard and deep about education's purpose and practice. This anthology includes the important essay "Bound to the Word," which discusses what it means to be governed by the word of God yet also exist within the entire world of human thought.
